+44 7979 733938

EXPERIENCE

Studio Ini – Somerset House

London, UK / 2018

Design Intern

Assisted the team with design, hands on prototyping and testing the Greek pavilion installation for the London Design Biennale.

Freelance

Athens & London / 2012 - 2018

Graphic & User Interface Designer

I have taken on various projects through the years, mainly related to web design, front end development, video editing, branding and graphic design.

Millhouse

Athens / 2016 - 2017

Designer, Front End Developer

Designed and coded static pages which then turned into a dynamic platform using SQL & PHP, working alongside a developer.

Longaccess

Athens / 2013 - 2015

Lead Designer

Directed the company's overall design and worked closely with software engineers. Designed, coded and maintained the interfaces of the main products: Longaccess, Deepfreeze.io, BigStash.

Babography

Athens / 2014

Experience Designer

Led design, consulted and collaborated with software engineers and redesigned the company's online presence.
